Hats and Suncream

Please can you ensure your child brings a hat to school to wear on sunny days. If your child needs sun cream, it is a good idea to apply some before coming to school.

Visit to Bristol Synagogue

We studied Judaism so we went to a synagogue. We were allowed to see the scroll which is the Torah and we held the pointer which was called a yad. The men are separated from the ladies and the children, who have to sit on the balcony. When the boys are thirteen they can sit downstairs with the men. The building was over 300 years old. The building had Hebrew writing on it and it had the Ten Commandments on the front. by Rufus and Miyah

Plant sale and WaterAid

We had a plant sale to raise money for Water Aid a few weeks ago. So we planted vegetables and salad, like tomatoes, peas, courgettes and beans. We had planned to climb Pen Y Fan and Corn Du but a storm stopped us. After half term we had a visitor from Water Aid to tell us a bit about Water aid. So far we have raised £44.00. We can buy a toilet for a family in India. by Imogen, Dan and Rufus

Monet

We have been doing some Monet painting together. There are some of Monet's paintings in school. We copied some of these paintings. Monet painted the same thing at different times, because the sky was different colours. by Rebekah
